

OUT TO LUNCH

1 INT. INTERDIMENSIONAL VOID - ??? 1

We open in a void. A TV turns on. We watch as a few different channels are flipped through, showing regular people going about their days. It's a little dull.

Then, we land on a close-up of a pair of eyes.

We slowly move in to:

2 INT. STUDY ROOM - DAY 2

The eyes are staring into a computer screen.

We pull out to see TIMMY. He's studying intently.

Off to his side, two girls chat.

GIRL 1
All I know is I'm getting the hell
out of here as soon as I can.

GIRL 2
Wait, you actually think it's real?

GIRL 1
Better safe than sorry.

GIRL 2
It's just a dumb rumor!

GIRL 1
I'd rather trust some '*dumb rumor*'
than get murdered!

The lights above them flicker.

GIRL 1
See? I'm out of here.

Girl 1 packs her stuff and hustles out. Girl 2 follows.

We rack back to Timmy, totally oblivious.

TITLE: OUT TO LUNCH

3 INT. LIVING ROOM/KITCHEN - DAY 3

Timmy's roommates, ALEX (22, well-spoken) and DANIEL (22, macho airhead), lounge around the kitchen.

DANIEL
(pre-lap)
Bro... no way!

ALEX
Please. It's for my birthday.

DANIEL
I'm **not** leaving this apartment
today.

Timmy enters.

ALEX
Hey Timmy.
(to Daniel)
Dude, I can't believe you're
scared.

Daniel scoffs.

DANIEL
What? No!
(beat)
I'm just like thinkin', like, what
if...

Alex laughs.

ALEX
(to Timmy)
What do you think?

Timmy emotionlessly opens a pack of Pop-Tarts.

TIMMY
About what?

ALEX
See? He's not scared. Stop being a
pussy and go out with us!

Daniel rolls his eyes and sighs.

DANIEL
I'll think about it.
(to Timmy)
Are you going?

TIMMY
Can't. I have my Spanish exam.

ALEX
 Okay. Well, if you could come
 after, that would be great.

Timmy nods vacantly. Alex looks worriedly at Timmy.

ALEX
 How'd your interview go?

Timmy shakes his head.

ALEX
 I'm sorry. That sucks.

As Alex talks, his voice gradually drowns out, as Timmy
 stares deeper and deeper into space.

ALEX
 Also, if you want, I can send you
 some listings I found that I think
 would be great for you. I have a
 whole bunch of-

While Alex speaks, Timmy gets an alarm: **EXAM!!**

TIMMY
 I gotta go.

ALEX
 Uh, okay - good luck!

He leaves. Alex and Daniel share a confused look.

BEGIN MONTAGE

4

Set against *Loser* by Beck, we follow Timmy as he walks
 through campus.

He scrolls on his phone, which we see through floating
 graphics of what's going on.

The graphics explain the situation -- A monster, nicknamed
 Malvado, comes to Gainesville every so often and **murders**
somebody.

Stay out! Get away! A curfew is in place!

Signs are all around him, both on his phone and surrounding
 him. People run in fear. *All of it is ignored.*

Timmy makes it to class. He takes a deep breath and heads in.

As the song ends and the door closes, a flyer falls. We follow it down. On it: **Malvado is coming! Run!**

Time passes. It's now night. Timmy steps on the flyer as he walks out.

END MONTAGE

5

EXT. SCHOOL BUILDING - NIGHT

5

Timmy exhaustedly walks out of the same door as before.

He pauses, and opens up a text from Alex: **wya?**

Then, a car SPEEDS by. The driver sticks his head out:

DRIVER
(shouting)
Malvado's gonna fucking kill you!

The car speeds away. Timmy scoffs.

He looks around. **He's all alone.**

6

EXT. SIDEWALK - NIGHT

6

Timmy continues walking on his phone. His eyes squint at **something in the distance.**

He immediately stops and squints. Then, he turns around.

That something is a **scary fucking monster**, and it's **much closer than before.**

Timmy's breath quickens. He turns the other way.

We see the monster's full figure. He's dons a purple cloak and has an imposing frame.

Timmy quickly sprints the way he was originally going.

He **BUMPS INTO THE MONSTER.**

He looks up at the monster, then shuts his eyes.

A whisper in the wind.

MONSTER
See you tonight, Timmy.

Timmy's eyes open. The monster's gone.

INT. TIMMY'S LIVING ROOM/KITCHEN - NIGHT

7

Timmy is **frozen**. He sits at the counter.

He nervously fidgets while Alex and Daniel talk.

ALEX

(muffled)

- and we just feel like you don't
even care to actually hang out with
us anymore. Like, you're so in your
head lately, man.

(not muffled)

Hello? Are you even listening?
Timmy?

Alex snaps in Timmy's face. Timmy shakes his head, regaining
consciousness.

TIMMY

What?

Daniel scoffs, and shakes his head. Alex sighs.

Alex

(disappointed)

Alright, whatever.

Alex and Daniel leave.

Timmy stares forward.

Later, he zones out while eating a bowl of cereal. Then, a
whisper:

MONSTER

Timmy...

He looks toward the window. We slowly focus on the night.

EXT. LAKE ALICE BRIDGE - NIGHT

8

Timmy walks up to a bridge overlooking a lake.

The moonlight hits Timmy's face.

He leans over the bridge and stares pensively.

Finally, breaking the silence, a **tree branch snaps**.

Timmy whips to the source of the sound. He looks around further. Nothing.

He turns to walk home.

In front of him, **the MONSTER**.

HOLY SHIT! Timmy yelps. He stumbles backward, right into the monster, who's now right behind him.

The monster leans in. Timmy's paralyzed.

Then, he speaks:

MONSTER / JONATHAN

Hi, Timmy. Nice to meet you. I'm Jonathan.

Timmy looks dumbfounded.

Jonathan reaches his hand out. Timmy makes a run for it.

No luck. Jonathan teleports again. He holds his hand out again, more exaggeratedly. Timmy reluctantly shakes it.

JONATHAN

You're probably **really** scared right now, huh?

A beat.

TIMMY

Are you gonna kill me?

Jonathan leans in. His dark mask turns red as he says:

JONATHAN

Yes.

Another beat.

Timmy quickly backpeddles.

He bumps into Jonathan, again.

JONATHAN

Nah, I'm just kidding. I don't do that anymore.

Timmy turns around. Jonathan is no longer in his monster form and now looks like a middle-aged black guy.

Jonathan winks at Timmy, and his teeth shimmer.

A beat. Timmy slowly pokes Jonathan, who looks down at him.

JONATHAN

Um, okay.

Now, the tension is broken. Timmy relaxes a little bit.

TIMMY

What... are you?

JONATHAN

(whiny)

What?!? You don't know who I am?

I'm a pretty big deal 'round these parts!

Timmy shrugs.

Jonathan sighs. He takes a deep breath, then spits out:

JONATHAN

I've been watching you from the
Eternal Void™ forever on this
fuckin' sick ass, AWESOME TV set.
Dude, it's nuts, you gotta see it.
Mounted on a wall and everything.

Cut to Timmy. *What the hell is he talking about?*

JONATHAN

Anyways, every so often, I pay a
visit to humanity, meeting one
lucky chum, and today that's you!

A beat.

TIMMY

Are you God?

JONATHAN

Ha ha, no.

TIMMY

Wait, is God real?

JONATHAN

(sing-songy)

I can't tell youuu...

TIMMY
Am I real?

JONATHAN
Yes.
(getting serious)
That's why I need you.

Timmy's eyes widen.

TIMMY
For what?

Jonathan grabs Timmy by the shoulders. A beat.

JONATHAN
I need a cigarette.

Timmy is motionless in Jonathan's grasp.

TIMMY
What?

Jonathan lets go.

JONATHAN
I need a cigarette.

Timmy shakes his head in disbelief.

JONATHAN
(whiny)
I'm serious!

TIMMY
Why don't you just buy one?

JONATHAN
Can't have any earthly possessions.

TIMMY
You can't get cigarettes in space,
or wherever you're from?

JONATHAN
Nope.

TIMMY
You just need *one*?

JONATHAN
What is this? An intervention?

TIMMY

Okay. Well... uh, I guess I could go to the store -

JONATHAN

No! You have to - I know it sounds crazy, but I need you to **conjure** it up for me.

A beat.

TIMMY

Conjure?

JONATHAN

Conjure? I hardly know her!
(off Timmy)
But yes, **conjure**.

Another beat.

TIMMY

What?!

JONATHAN

I need you to conjure it, from your hand!

Timmy's confused.

JONATHAN

Okay, all I need you to do is think **REALLY HARD** about a cigarette... and hold your hand out. Like it's **IN** your hand!

Timmy looks at him like, "*come on, man.*" He takes a deep breath and scrunches his face.

JONATHAN

Blue American Spirit, if possible.

Timmy opens his hand and finds **a cigarette**. Jonathan takes it and puts it in his dress shirt pocket.

JONATHAN

Thanks, boss.

Jonathan salutes Timmy and turns around to walk away.

TIMMY

Wait! I need your help.

Jonathan turns back around.

JONATHAN

This isn't really like a deal type of thing, kid. You don't really get to negotiate with me.

Timmy sighs.

TIMMY

(defeated)

Come on...

Jonathan thinks about it for a second.

JONATHAN

Alright, whatever.

Jonathan pulls out the cigarette and lights it.

TIMMY

I'm... stuck.

JONATHAN

Whaddya mean?

TIMMY

It's my last semester here and I'm fucked. All my friends have jobs or internships, and I **don't**. I don't know what I **want to do**, I don't know **what to do**, and I feel like it's all a big **fuckin' waste**.

Timmy takes a breath and walks around for a second.

TIMMY

Fuck, man!

(beat)

You know?

Timmy focuses for a second, then conjures another cigarette for himself. He borrows Jonathan's lighter.

JONATHAN

You really want my advice?

Timmy nods.

JONATHAN

Kill yourself.

TIMMY

Fuck you.

JONATHAN

I'm jokin'. In reality, all of this worrying about work and money is stupid because you're only alive for 80 years or so, and then you burn for eternity. What really matters are the people you care about and being with them.

Timmy looks disgusted.

TIMMY

Are you **fuckin'** kidding me?

JONATHAN

(monster voice)

Hey!

(regular voice)

Do you **really** think you're the first college guy with doubts about his future? This ain't my first rodeo, kid. **Take my advice.**

TIMMY

So, what? You just want me to give up my responsibilities and *hang out all day with the boys*?

JONATHAN

I'm not saying to totally disregard all those important things, but keep in mind that your life is short, and all you take with you are your memories. So, make good ones.

Timmy thinks for a second. He's unsatisfied but moves on.

TIMMY

Alright, well, thank you.

JONATHAN

Cheers, pal.

Jonathan finishes his cigarette. He makes that awkward white person face, then shoots finger guns at Timmy.

Timmy watches as Jonathan walks away. After a beat:

TIMMY

Am I really going to burn for eternity?

Jonathan shrugs and throws his hands up as he walks.

JONATHAN
I dunno. Be a good boy, and maybe
you won't.

Jonathan is eclipsed by the darkness.

Timmy thinks about all of this. He walks away.

9 INT. LIVING ROOM/KITCHEN - MORNING

9

Timmy walks out of his room to see his roommates. Daniel is
in the kitchen cooking, and Alex drinks coffee on the couch.

TIMMY
Hey, guys.

ALEX
'sup.

TIMMY
I've been a shitty friend recently.
I'm sorry.
(a beat)
I was thinking about going *out* to
lunch later. You guys wanna come?

Timmy shoots them a weak smile.

Alex and Daniel smile back.

ALEX
Sure. We'd love to.

Timmy smiles.

10 INT. INTERDIMENSIONAL VOID - SAME TIME

10

Jonathan sits in a dark room in front of a wall of TVs. He's
watching Timmy's interaction.

He fist bumps the air.

JONATHAN
Yes!

Jonathan turns to the camera.

JONATHAN
I mean, isn't this setup **fuckin'**
sick?

THE END.
