OVER BLACK

COLE (V.O.)
(caffeinated)
I'm ranking every MCU Phase One
film in sixty seconds! Let's go.

INT. HOUSE - KEIRA'S BEDROOM - EVENING

On a phone screen, COLE (moppy hair, funny-looking) talks about movies in front of a wall of Blu-rays. Somebody scrolls through a few of his videos.

COLE (ON PHONE)
There's an underrated rom-com on
Hulu with Andy Samberg that you
MUST check out.
(next video)
Which Oscar nominees passed the
Bechdel test? Let's find out!

The girl on the phone cringes. This is KEIRA (short, cute).

Going against her beliefs, she leaves a comment: **"coolest
film guy I know"**

She swipes to a photo of NOAH (tall, handsome). She sighs.

PRE-LAP of liquid pouring.

INT. HOUSE - KITCHEN

Keira pours two shots of vodka and carries them to the door.

Her hands full, she kicks at the door to alert the person inside to her presence.

COLE (O.S.)
Yeah?

She fumbles a bit with the door handle before entering.

INT. HOUSE - COLE'S BEDROOM

Cole is buried in his laptop on his bed. His shirt reads: **"I
Speak Fluent Movie Quotes."** Of course.

Keira stands in the doorway, holding the shots up like a peace offering.

KEIRA
We should go to Jessie's.

COLE
(looking down)
Why? 'Cause Noah's going?

KEIRA
(quickly)
No.
(a beat too long)
Why? Is he?

Before he can answer, she downs her shot. A slight wince.

COLE
I dunno. I can text her, though.

KEIRA
(recovering from shot)
No, that's fine.

Cole looks up, a shit-eating grin forming. He knows.

COLE
You're trying to get with him
again, aren't you?

KEIRA
Don't be weird. Just take the shot.
I've gotta get ready.

She places the shot on the bedside table and turns to leave.

COLE
I don't know if I should go. Gotta
work on this review.

Turned away, Keira rolls her eyes. She turns back and glances at his screen -- an EDITING TIMELINE of his next review.

KEIRA
(not really interested)
What's this one?

COLE
(suddenly animated)
Well, I've been going through the
MCU, so this one's all about the
second phase and my rankings.

KEIRA
(cutting him off)
I saw. Drink.

Cole picks up the shot and contemplates it.

KEIRA
(from the doorway)
It's a Halloween party, by the way.

Cole's eyes light up.

COLE
Wait, really? I have the *perfect*
costume for it.

He points across the room. We don't see it, but Keira's reaction says it all:

KEIRA
Oh!
(she hates it)
Oh.
(reserved)
Oh...

On Cole's BIG GRIN:

MUSIC CUE: "Automatic" by Houses

CUT TO:

TITLE CARD: KEIRA & COLE

INT. JESSIE'S APARTMENT - ENTRANCE - NIGHT

A party. You know, one of those loud, crowded ones. Endless booze, cheap decorations, and costumes of varying quality.

A loud, drunk 20-something, JESSIE (donning a Ghostface outfit), leans in, shouting over the music to Keira and Cole.

JESSIE (V.O.)
(drunkenly)
So... are you guys identical or the
other one?

Cole, in a full TOAD costume, stands beside Keira, who wears a dainty little crown. He playfully shrinks down to match her height, stumbling a little as he does.

COLE	KEIRA
(cheeky)	Fraternal.
Identical.	

JESSIE

Whoa! That's so cool! Can you read
each other's thoughts?

Keira gives a 'come on' look.

COLE

Yes. Watch this.

Cole puts his hands on Keira's head and reads her mind.

COLE

I'm sensing... boobs?

Cole playfully tousles her hair. She swats his hand away.

KEIRA

(laughing, annoyed)

Stop!

Cole holds his hands up defensively.

KEIRA

I'm gonna find Julia.

COLE

See ya.

She disappears into the crowd. Cole surveys the room. He's on
his own. He heads off to the kitchen.

INT. JESSIE'S APARTMENT - LIVING ROOM - COUCH

Keira sits with her best friend, JULIA (20, peppy, cat ears).
LUCAS (21, dressed as Maverick from *Top Gun*) talks at them.

LUCAS

(pointing between them)

So, post-grad: California, New
York. How's that gonna work?

KEIRA

I'm gonna convince her.

JULIA

I'm gonna convince her.

LUCAS

(like an innuendo)

Who's more convincing?

From across the room, a drunk shout:

JESSIE (O.S.)

LUCAS! SHOTS!

Lucas shoots a thumbs-up to his friend.

LUCAS
Ladies, I'll be back in a minute.

Lucas walks off. The girls share a sigh of relief.

KEIRA
Have you heard back about the
internship in LA?

JULIA
Not yet. I was supposed to hear
back this week, but I dunno. What
about you? Still set on New York?

KEIRA
Yeah. Unless you can *convince* me...

They share a smile.

KEIRA
(laughing)
Why does he think that hitting on
both of us is doubling his chances?

JULIA
(mockingly)
Because monkey *sees* two bananas,
monkey *wants* two bananas -- I don't
fucking know.

KEIRA
Wait, is it doubling his chances?

JULIA
(sarcastically)
Wait, yes!

KEIRA
(playing along)
Yes! We both want to get with you!
At the same time!

JULIA
No! Get with only me!

KEIRA
Get with me!

They loudly laugh.

KEIRA
Before he comes back, I'm gonna
take a lap.

JULIA
Oh, thank God. I get him alone!

Keira gets off the couch, using Julia's shoulder for support as she steadies herself.

INT. JESSIE'S APARTMENT - KITCHEN

In the quiet kitchen corner, Cole pours a seltzer into a cup. He grabs a milk frother and stirs. ABBY (short, generic costume) walks up and watches the routine.

ABBY
What're you doing?

Cole, a little startled, stops stirring and turns around.

COLE
(laughs)
Oh, I just don't like the carbonation.

ABBY
Why not?

COLE
It's just so... sharp?

ABBY
The... bubbles?

COLE
Exactly!

He gestures drunkenly at her with his cup, splashing some of the drink on her.

COLE
Fuck, I'm so sorry.

He grabs a napkin and awkwardly dabs at her shirt in a bad attempt to clean up the stain.

COLE
(muttering)
I'm so sorry.

She nervously laughs, then takes the napkin from him.

ABBY
Uh... I got this. I'm gonna grab another drink.

COLE
(trying to play it off)
Cool... I'll see you around.

Abby plainly nods, leaving him alone. Cole looks into his drink, watching the fizz rise to the top.

INT. JESSIE'S APARTMENT - LIVING ROOM

Keira weaves her way through the party and spots Cole in the kitchen, looking lost. She almost turns away, but finds herself drifting over to him.

INT. JESSIE'S APARTMENT - KITCHEN - CONTINUOUS

Keira walks to Cole, as he sips his now defizzed drink.

KEIRA
Having fun?

COLE
(looks up, a small smile)
Just soaking it in. You?

KEIRA
Trying to.

A comfortable beat of silence. Keira's eyes drift across the room, landing on Abby and Noah meeting. Cole joins her gaze.

They watch as Noah, who dons no costume, has chemistry with Abby. They laugh. Keira doesn't like this. Cole notices.

COLE
(energetically drunk)
Want me to break them up?

KEIRA
No, you'd be weird about it.

COLE
No, I was just talking to her, and
it was totally normal.

KEIRA
You were just talking to her?
(shakes her head)
Ugh. Whatever. Shot?

Cole energetically nods. He fumbles around for a bottle and pours for the two of them. They cheers and down it.

KEIRA
Alright, I'm walking around.

Cole nods. He looks on for a second, then moves out.

INT. JESSIE'S APARTMENT - LIVING ROOM - COUCH - CONTINUOUS

Cole weaves through the party.

JULIA
(hushed, with urgency)
Hey!

COLE
(turning)
Oh shit, hey!

He vaults over the back of the couch. It's not graceful.

JULIA
Stay here for a second.

COLE
Why?

JULIA
(a subtle chin-point)
I'm trying to avoid a guy.

Cole scans the room, following her gaze.

COLE
(looking around the room)
Who? Oh. Him. Fuckin' douche.

JULIA
Yeah.

Keira walks up to them, her gaze fixed on Noah.

KEIRA
(to Cole)
Okay, change of plans. I need you
to get over there.

Cole and Julia both look over at Noah. Julia lets out a sigh.

COLE
Need me to kill him?

KEIRA
(playing along)
Uh, yeah. But find out who she is
first.

Julia grabs both of them.

JULIA
(mocking)
I'm really proud of you guys.

Cole scrambles to his feet, mission accepted.

COLE
I'm getting a shot first.

KEIRA
Hey. Not too much. You need to be
normal.

He shoots her a goofy grin and a big ol' thumbs-up.

JULIA
Attaboy.

He heads to the kitchen. Keira joins her best friend on the
couch. Lucas walks back up to them.

LUCAS
Don't worry, guys, I'm back.

KEIRA
(to herself)
Oh my God.

INT. JESSE'S APARTMENT - KITCHEN

Cole downs a shot. Now buzzing, he stumbles his way over to
his target.

INT. JESSIE'S APARTMENT - DINING ROOM - CONTINUOUS

Cole approaches Noah and Abby and stands there. Abby rolls
her eyes. Jessie approaches Noah with two full shot glasses.

JESSIE
Ready for round five?

Jessie holds the shot out for Noah.

NOAH
(shakes his head)
Nah, I'm good. Pacing myself.

Cole, bobbing around in place and feeling the buzz, steps in.

COLE
I'll take it!

Cole grabs the shot from Jessie's hand, who shrugs.

JESSIE
Cheers.

The two take the shot. Cole chokes it down, the two shots hitting him hard and fast. He turns to Noah.

COLE
Hey, Noah! Sorry to interrupt, but did you guys get a chance to see the new *Jurassic World*? I hated it.

Noah and Abby share a quick look. Vibe killed.

NOAH
Haven't seen it.

COLE
Oh.

Another beat.

ABBY
(to Noah)
I'm gonna find my friends.

The girl walks away. After getting out of earshot, Noah faces Cole with a little bit of exasperation.

NOAH
Shit, Cole. Come on.

Cole sorta stares through him. Noah pats Cole on the shoulder and leaves. Cole spots Keira and meanders to her.

INT. JESSIE'S APARTMENT - ENTRANCE - CONTINUOUS

COLE
This party sucks. Ready to go?

She doesn't make eye contact, looking across the room.

KEIRA
Who's the girl?

COLE
Who?

Keira looks at him with grave concern.

KEIRA
The one Noah was talking to.

COLE
Her?

KEIRA
Yeah!

COLE
Oh. Shit. I forgot. I think he
left, though.

KEIRA
Are you deadass?

COLE
Huh?

KEIRA
Oh my fucking God, okay -- okay,
we're leaving.

Keira leaves, accidentally bumping into a stranger. Cole,
like the loyal puppy he is, follows her.

COLE
Wait up!

The twins leave.

INT. APARTMENT ELEVATOR HALLWAY - NIGHT

On a closed elevator door. The floor indicator reads **11**. A
soft DING. The doors slide open.

Inside, the twins stand in silence, both on their phones. A
girl squeezes past them to leave.

A beat. Cole looks up from his phone and decides to gleefully
press every single button on the panel. Keira looks up.

KEIRA
What the fuck are you doing?

Cole, bearing a huge smile, just stares back.

KEIRA
Cole, why did you just do that?

The doors slide shut before she finishes. **Floor 10.** DING.

COLE
...God forbid we ever have fun!

KEIRA
This isn't fun! It's gonna take
forever.

The doors close. **Floor 9.** DING.

The twins stand in silence.

COLE
Okay, maybe I overestimated how fun
this would be.

Floor 8. DING.

As the doors slide open, Noah WALKS IN. Keira's eyes widen with drunken disbelief. She straightens her posture.

COLE
(dapping him up)
Oh shit! There you are!

NOAH
Hey. Can you grab three?

KEIRA
(without looking up)
He pressed all of them.

NOAH
(looking to Keira)
Oh. Why?

Floor 7. DING.

Noah looks confused as Cole rambles. Keira hides her face, letting her head thud quietly against the elevator wall.

COLE
I figured if I pressed them all,
we'd have more time to hang out.
And I'm having an amazing time in
this elevator. What about you two?

Cole looks to Keira, who shoots him a NASTY LOOK.

COLE
What?

Floor 6. DING.

COLE
Oh! Who was that girl you were
talking to at the party?

NOAH
Who?

Cole tries leaning in and whispering.

COLE
(a good debrief)
Keira thought you guys were, like,
a thing. I told her that it wasn't
anything to worry about.

NOAH
(awkward as fuck)
Oh.

Noah looks from Cole to Keira. She wants to die.

Floor 5. DING.

Pure silence. Everybody's uncomfortable.

Floor 4. DING.

NOAH
(to Cole)
Alright, good to see ya, man.
(a quick nod to Keira)
You too, Keira.

Noah quickly steps out. Keira gives Cole a HARD STARE.

COLE
He's so cool.

Keira takes his Toad hat off and smacks him with it.

Floor 3. DING.

Keira continues smacking Cole with his hat. He braces himself
against the hits. He squeals like an idiot.

COLE
(playful)
Stop hitting me!

Floor 2. DING.

COLE
(a lil' bit of trolling)
That really hurt!

Keira rolls her eyes.

KEIRA
I'm taking the fucking stairs.

Keira storms out. The doors close.

EXT. STREET - NIGHT

Cole weaves slightly on an electric scooter. Keira holds on tightly as they travel the dark, empty street.

KEIRA
(quietly)
Idiot.

COLE
What?

Without a word, she hops off the scooter before it even comes to a full stop, turning to face him. He stops the scooter.

COLE
What's wrong?

She lets the question linger. She takes a step forward, invading Cole's personal space.

KEIRA
Have you ever, in your life,
considered a social cue?

COLE
(oblivious)
What?

KEIRA
"Keira thought you guys were a
thing?" What the *fuck*?

COLE
You did! I was getting intel. I was
helping you!

KEIRA
"Getting intel?" Are you serious?

COLE

Yes!

KEIRA

"Getting intel?!"

The tension's getting sharp. Cole's no longer having fun.

COLE

(curt)

I was just trying to help.

KEIRA

Oh, yeah, help from the "pro!"

(scoffs)

Please. Next time, actually, say more! Why don't you text him for me? A good opening line would be:
"Hi! It's Keira! I'm totally still in love with you, and I need you to take off my clothes right now!!"

Cole lets out a short laugh. She narrows her eyes.

KEIRA

Holy shit, you are so stupid.

That wipes the stupid smile off his face. He focuses.

COLE

I'm the stupid one? You went on *two* dates with him. Two. That's it! And you've built this whole relationship up in your head. He doesn't care about you. He doesn't THINK about you. You're just a girl he went on two dates with.

Keira's face falls -- a direct hit.

KEIRA

You're an asshole.

COLE

And I hate watching you do this to yourself! It's pathetic! Why would he want to date you, anyway? If I were him, I wouldn't!

KEIRA

(sarcastically)

Well, that's a relief. My fucking twin brother doesn't want to date me!

(MORE)

KEIRA (CONT'D)

(beat)

It's just awfully ironic that the guy calling me pathetic is the guy who spends all of his free time making movie reviews that five people watch. Some of us are trying to build a future and secure internships. What are you doing? What's your five-year plan, Cole? To get ten likes?

The words hang in the air. A beat of stunned silence.

Cole feels ridiculous. He slowly takes off his Toad hat.

COLE

(quiet, hurt)

Fuck off.

Keira holds his gaze for a moment longer, then turns her back on him. She walks away, disappearing into the night.

Cole is left standing alone under a streetlight.

MUSIC CUE: "Sue Me" by Audrey Hobert

BEGIN MONTAGE

Keira storms down the dark street, pace fueled by anger. She snatches her phone and calls JULIA.

KEIRA

Hi. Leave the party, I'm coming over.

JULIA (V.O.)

Hello? Okay! Uh-

KEIRA

I'm leaving now.

JULIA (V.O.)

See you soon.

She hangs up the phone.

INT. JULIA'S BEDROOM - NIGHT

Now in hoodies, Keira and Julia sit on Julia's bed. Julia stares at Keira with a SOUR LOOK on her face, having just been briefed on Keira's night.

JULIA

So... he was in the elevator for several floors because all of the buttons were -

KEIRA

Yes. Fuck my life.

JULIA

Yeah -- my God. Well, it happened, and it's over now. You're here, you're safe.

KEIRA

Thanks for letting me come over.

JULIA

Of course.

KEIRA

I don't know why I'm so stuck on him.

JULIA

Yeah, I really don't know why you are either, but I stopped asking questions about the guys you're interested in a long time ago.

KEIRA

Yeah -- wait, what's so hard to believe about liking Noah?

JULIA

I just don't think you need to be dating the secretary of the fucking swim team.

KEIRA

He's the secretary of what?

JULIA

Oh my God, you didn't see the photoshoot?

Keira stares with a mix of disbelief and intrigue. Julia grabs her phone to show her the photos.

The girls look through a series of overly serious, dramatically lit photos of Noah and some people on his swim team trying to look heroic.

Keira and Julia howl with laughter as they mock the photos, making fun of some of their poses and the seriousness of it.

Their laughter subsides. A wave of frustration and realization hits Keira, who gets up to pace the room.

KEIRA
It's just... Cole was right. About
some of it. And I hate him for it,
but like --

Keira stops mid-rant, distracted by Julia's open closet.

SMASH CUT TO:

INT. JULIA'S CLOSET

KEIRA
Holy shit, is this your formal
dress from freshman year? I haven't
seen this since -

SMASH CUT TO:

Keira models a ridiculous formal dress from Julia's closet.

-- A quick-cut sequence of Keira trying on various old
outfits. They're laughing about it all.

-- Keira makes a few digs about Noah.

-- They collapse on the bed, laughing.

KEIRA
I love you a lot.

JULIA
Love you, too.

The two fall asleep.

INT. JULIA'S BEDROOM - MORNING

Keira wakes up, looking like a mess. Julia is already up and, spotting Keira, walks over.

JULIA
You're gonna go home, and you're
not going to text him. You're going
to focus on getting those
internship applications in and
making your life better. Okay?

Keira nods. She gets herself out of bed.

JULIA

And take those dresses too. I don't
want them anymore. I'm serious.

Keira picks up the pile of outfits from the previous night
and walks her way out of Julia's apartment.

EXT. STREET - DAY

Keira walks alone down the street carrying the pile of
dresses. It's a little awkward.

She arrives at a street corner with a smile on her face.

NOAH

Hey.

END MONTAGE

Keira cranes her neck to see NOAH.

KEIRA

(forcing a casual tone)
Oh, hey!

Noah notices the dresses.

NOAH

What's with the clothes?

KEIRA

Uh... Donating them.

NOAH

Oh. Okay.

An awkward silence. The crosswalk signal turns WHITE. Noah
looks relieved, ready for an escape.

NOAH

Well, see ya.

He begins to walk away.

KEIRA

Wait!

Noah stops and turns.

KEIRA (CONT'D)

Why are you so weird around me?
It's like you literally only
remember I exist when I'm standing
in front of you.

A beat as Noah gathers his thoughts. He glances at the crosswalk, which has just turned RED again. On that:

NOAH

Keira, we went on one date.

KEIRA

Two! Both of which were your idea.
You liked me! You said you did. Now
you can barely look at me. It
doesn't make any sense.

She waits for him to respond, but he doesn't.

KEIRA

(needing an answer)
What?

NOAH

What do you want me to say?

KEIRA

Just tell me why you don't like me!

NOAH

Keira!

KEIRA

(a little louder)
What?!

He sighs, looking away for a second, thinking of what to say.

NOAH

Look, I think you're great... I
didn't know that you were still
interested.

KEIRA

What do you mean?

NOAH

You don't ever talk to me!

KEIRA

You're always talking to someone
else.

Noah stares at her with a look of disbelief.

NOAH

Keira, if you wanted to come up and say something, you could've! Instead, you're sending your brother to interrupt my conversations and -- and
(louder)
-- and having him press all the elevator buttons so I'm stuck while he talks about how much you want to *fuck me* -- your brother --

Noah looks across the street corner to see Cole standing there on his scooter, just sorta looking on.

NOAH (CONT'D)

(a full-on scream)

And he's standing right there right fucking now watching us talk, and holy shit! I can't deal with this anymore!

KEIRA

(getting drowned in it)

Oh my God, no, I didn't do that.

NOAH

Okay. Look, this is what I'm talking about. It's a whole thing. It's too much.

Before she can respond, the little crosswalk guy turns WHITE.

NOAH

Bye.

Damn. Noah leaves a little too quickly. Keira watches.

INT. HOUSE - LIVING ROOM - NIGHT

Keira enters and plops herself on the couch. She hears the SHOWER running in the bathroom. Someone is crying.

EXT. STREET - LAST NIGHT

Cole stares at the ground underneath the spotlight.

MUSIC CUE: "Delay" by Rec Hall

All alone, he walks into the night.

BEGIN MONTAGE

INT. HOUSE - COLE'S BEDROOM - NIGHT

Cole enters his room and collapses onto his bed. He scrolls through happy, old photos of him and Keira.

The phone's light illuminates his face. He glances at his video setup in the corner. He shoves it away.

On his phone, his last text to Keira: **"wanna go to the theater? they're playing *Scream tn*"** Beneath it: **"Delivered."**

He rolls out of bed, puts on his backpack, and leaves.

EXT. J-SCHOOL ATRIUM - NIGHT

Cole sits outside on a bench. He opens his laptop and stares at the editing timeline. His brain's blocked.

Defeated, he opens Instagram. He scrolls past videos of other, more successful creators. A knot of jealousy tightens.

He closes the app. His own miserable reflection stares back from the now-black screen of his phone.

The camera PULLS BACK to reveal just how alone he is.

INT. HOUSE - COLE'S BEDROOM - NIGHT

He blankly watches *Palm Springs* on his laptop. Pausing the film, he deletes everything in his Premiere Pro timeline.

An impulse takes over. He rips his *Palm Springs* and *Ratatouille* posters from the wall. He tosses his Toad hat into the trash.

Spent, he collapses onto his bed, staring above.

EXT. J-SCHOOL ATRIUM - DAY

Sitting on a different bench, Cole deletes his reviews, one by one. He opens a message to Keira. He stares at the empty text box, his fingers hovering over the keyboard.

QUICK FLASHES -- The fight from the night before.

BACK TO PRESENT:

Cole slams the laptop shut. He packs and leaves.

EXT. STREET CORNER - DAY

Cole, on his scooter, sees Keira and Noah having their confrontation on the opposite street corner. He rolls his eyes and goes the other way.

INT. HOUSE - COLE'S BEDROOM - NIGHT

Cole slumps his head against his bed. He puts his head in his hands. He looks around. He leaves.

INT. HOUSE - BATHROOM

He stumbles into the bathroom, splashing cold water on his face. He turns away and rips the shower curtain open.

END MONTAGE

Cole violently sobs in the shower. It's a little funny.

INT. HOUSE - LIVING ROOM

Keira lies on the couch, resting her head on the pile of dresses, looking at the blank TV in front of her.

Cole enters, still damp from the shower. He stands in the doorway for a beat and looks at her.

Spotting her crown on the floor, he picks it up and sets it on the side table.

He takes a seat near her, sitting in a thick silence.

She doesn't look at him.

COLE
(quietly)
I'm sorry.

She continues looking at the TV, giving a small, stiff nod.

COLE
What I said was awful and mean. I'm
sorry. I never should've said that.

Another beat of silence. She turns her head.

KEIRA
Yeah. It was.
(a beat)
I was, too, though.
(MORE)

KEIRA (CONT'D)

I shouldn't have said that about your videos. I was just trying to hurt you.

COLE

Well, you did.

KEIRA

Good.

They look at each other. The tension breaks.

COLE

They do suck, though.

KEIRA

They don't. But even if they did, it's cool that you actually put yourself out there. I don't have the guts for that.

COLE

Yeah, you do. I saw you with Noah today. That takes guts.

Her openness vanishes. She shuts down.

KEIRA

(quickly)

I don't wanna talk about that.

COLE

(taken aback)

What? Why? What happened?

KEIRA

He's not worth my time, okay? Can we just drop it?

He leans forward.

COLE

Really? You love talking about him.

KEIRA

No, I don't.

He lets out a slight chuckle.

COLE

You know, if your life were a movie, it wouldn't pass the Bechdel Test.

She stares, confused.

KEIRA

What?

COLE

You wouldn't pass it.

KEIRA

No, I don't even know what the fuck that is?

COLE

Oh, it's a test to see if a movie has women who talk about something besides a man. You'd fail, 'cause you ever do is talk about Noah.

A beat. She breaks eye contact. He's right.

KEIRA

I hate when you do that thing where you say something nobody knows and act like we're all supposed to know what it is.

COLE

It's a film thing.

KEIRA

It's a film thing? Well, if your life were a movie, you wouldn't pass my 'cool-as-shit-not-a-virgin-loser-test,' so what the hell?

COLE

(annoyed)

Keira.

KEIRA

Cole.

A beat. The fight in their voices is gone, back to their regular sibling energy.

COLE

Hey, you heard back from that internship yet?

Keira shakes her head.

COLE

You'll get it.

KEIRA

What about you? What's your five-year plan? For real.

Cole shrugs, a small smile as he reclaims her earlier insult.

COLE

I dunno. Keep making videos. Maybe I'll get eleven likes.

Keira lets out a quiet, genuine laugh.

KEIRA

What are we watching tonight?

COLE

Glad you asked.

Cole grabs the remote and selects the movie: "Palm Springs."

KEIRA

What's this?

COLE

Palm Springs? I've definitely told you about it before.

She shakes her head.

KEIRA

Have you seen it before?

COLE

(blinks once)

Are you fucking with me?

She gives a little smile. He realizes that she was screwing with him and smiles back.

The TV's glow illuminates their faces. In the screen's reflection, we see them in shared silence. They'll be okay.

MUSIC CUE: "dead & gone" by dreamfone

THE END
